# Local Restaurant Spotlight

We learned at an early age that sharing meals was our family's language of love.

We gathered frequently around the kitchen or dining room table and everyone was welcome. We discussed the days happenings, recalled joyous occasions, engaged in spirited debates and comforted each other in times of sorrow.

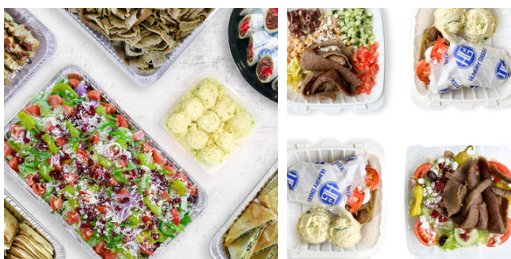

It is in this spirit that we created Forbici, a restaurant where you are at home sharing food, enjoying good company and making memories with family and friends, old and new.

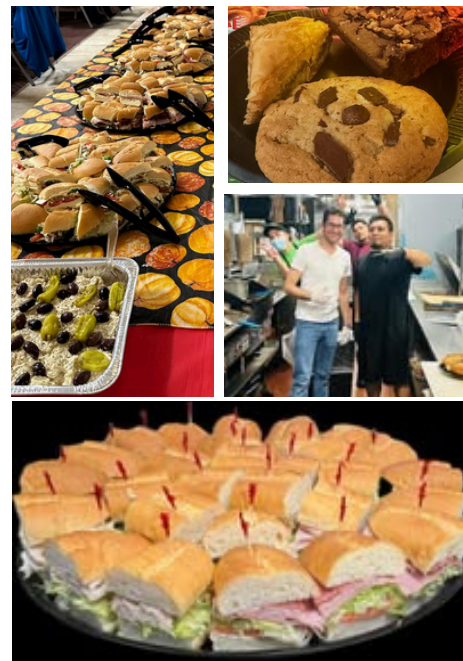

The Hungry Greek takes pride in serving Authentic Greek family recipes. Every dish is prepared from scratch, in-house; and we collaborate with other local businesses whenever possible. Our mission is to deliver the fastest, freshest, and most convenient meals without ever sacrificing flavor.

Our menu offers a wide range of options to suit every taste, from grilled favorites and hearty pitas to light, fresh salads and bowls

**Six locations** from N. Tampa to Sun City.

Seminole Subs & Gyros has been family owned and operated since 1992. We started with a simple goal: to offer big portions of great food at prices that fit everyone's budget. Over the past 25 years, we've grown from a single spot to **five locations in Pinellas County**. Our focus has always been on using fresh ingredients and delivering friendly service, making sure every meal is as satisfying as it is affordable.

## ► LoCo Love

I have been utilizing Loco Tampa Bay for many of the large catering needs at my law firm. Their website is very easy to use, their service is personalized and friendly. But, most importantly, they are reliable and efficient. Highly recommend!
